Bart simpson guide to life

The world's most™ delinquent reveals everything in the only tie-in book for the biggest TV show of 1997! Written and illustrated by Matt Groening, the creator of The Simpsons, Bart Simpson's™ Guide to Life is full of the kind of humor that keeps Simpsons devotees attached to the show. Including gems like Dr Bart™'s Miracle Cures, Homer™'s Dozen-Donut-A-Day Diet and Marge's beauty secrets (â€œNever pluck hair protruding nose™ death may result. Instead, use a light Weedwackerâ€™) and Homer (â€œThe smell of hot dogs, onions and beer, when ate in combination, causes women to faintâ€™). Featuring guest appearances from all the great Simpsons characters, including Lisa, Moe, Barney, Millhouse, Krusty the Clown, Groundskeeper Willie, Mr. Burns and Smithers. Like the shows themselves, the™ Bart Simpson's Life Guide has something to please all age groups and is so full of fun that you™ see yourself seeing something new every time you read it. Bart Simpson's Guide to Life Author Various Country United States Language English Genre Self-help manual [1] Published August 1993 (HarperPerennial) Media type Hardback Pages 92 ISBN 978-0-06-096975-2 Bart Simpson's Guide to Life: A humorous book published in the United States in 1993 by HarperCollins (harperprintsharper). Includes advice from Simpsons character Bart Simpson on how to deal with life. The book was written by several authors, and was helped to be printed by Matt Groening. He received critical acclaim. Fund The book was published in 1993 by HarperCollins. [2] The full name of the book is Bart Simpson's Guide to Life: A Handbook for the Perplexed. It was written by several contributing authors: Peter Alexander, Jamie Angell, Ted Brock, Eileen Campion, Max Franke, Jim Jensen, Barbara McAdams, Bill Morrison, Mili Smythe, Mary Trainor and Doug Whaley. [2] Simpsons creator Matt Groening is credited with helping the book be printed. Morrison, Dale Hendrickson and John Adam are listed as artists in the book. [2] Content The main purpose of Bart Simpson's Guide to Life is to give supposedly useful tips and advice on how to deal with life (including parents, classmates, school, romance, health and manners) as experienced by the fictional character Bart Simpson from the animated television series The Simpsons. [3] Although, as noted Nancy Basile of About.com, one should be cautious when accepting advice from the child who spends much of his school time on the chalkboard writing punishments. [4] Phillip See wrote in Child, Adolescent and Family Development that the book provides a contemporary glimpse into the world of middle childhood. [3] Specific things Bart taught readers in the book include how to increase allowance, avoid chores at home, and get away with cheating at school. A nutritional manual from Bart is also included. [4] Nancy Basile's About.com gave Bart Simpson's Guide to Life a rating of five out of five, This book is a one You'll get a lot of laughs for a lot less than other cartoon books. [...] If you're a Bart fan, you must be the owner of this book. If you're a Simpsons fan, you're going to love this book. If you're just getting to know our favorite family, you should pick up this book to enjoy some laughs at Bart's new jokes and past adventures. Every fan will love this book, the first, second and third time. Basile also praised the illustrations as hysterical. [4] March Rogers, writing for RTÉ.ie, was more negative. He wrote: The funny part is the introduction of Matt Groening, from there fails to the kind of humor written on the walls of bathrooms and on the back of copy books in elementary school. It seems to be released among the public - very adult for children, very childish for adults. Page after page of poorly written prose recommending everything from cool things to when you grow up to questioning whether or not they have sweet sauce in Heaven. This attempt to portray the Simpsons characters indicates so much that they do not translate well into print and that whoever contributed to this book was not a writer in the series. [5] Bart Simpson's Guide to Life was included in a list of more than 30 royal books written by fictional TV characters by authors of The A.V. Club. They wrote that because the characters developed and the voice of the show changed, Bart's Guide to Life is understandably somewhat dated 17 years later (see reference to the Simpsons' pirate shirts), but like many of the books on this list, it's a reminder of a different pop-cultural era.
